

# Video Production Services

## Explainers, Custom Animations & Other Extras

We believe every organization should incorporate the power of video into their website homepage. Many visitors don't like to read. Video is a proven way to engage with customers, effectively communicate your message, and promote your products. We can upload these videos directly to YouTube for you and embed them in your website.

### Explainer Videos

<p><b>30 Second</b> 1 Interview, 1 Location, 1 Edit</p>	<p><b>60 Second</b> 2 Interviews, 1 Location, 1 Edit</p>	<p><b>90 Second</b> 3 Interviews, 2 Locations, 1 Edit</p>
<p><b>\$750</b></p>	<p><b>\$1250</b></p>	<p><b>\$1650</b></p>

**Includes:** on-location or in our studios, lighting/camera/audio equipment rental, help with storyboard, custom intro/outro, text overlays and transitions, professional music, final video render

**Optional:** we can upload to your YouTube channel, embed the video on your website, and provide you with the transcribed text (use in blogs and social media)

**"Interviews"** can be staff (c-suite, management), client testimonials, walk-through tours, or showcasing products.
